INVESTOR ALERT: KGS Announces the Initial Filing of Securities Fraud Class Action Lawsuit Against SunOpta, Inc. -- STKL

Monday January 28, 5:46 pm ET

NEW ORLEANS, LA--(MARKET WIRE)--Jan 28, 2008 -- Kahn Gauthier Swick, LLC ("KGS") has filed a class action lawsuit against SunOpta, Inc. ("SunOpta" or the "Company") (NasdaqGS:[STKL](#) - [News](#)) in the United States District Court for the Southern District of New York, on behalf of shareholders who purchased the common stock of the Company between August 8, 2007 and January 25, 2008, inclusive (the "Class Period"). No class has yet been certified in this action.

UNLESS A CLASS IS CERTIFIED, YOU ARE NOT PERSONALLY REPRESENTED BY COUNSEL UNLESS YOU RETAIN AN ATTORNEY.

If you would like to discuss your legal rights, you may e-mail or call KGS Managing Partner Lewis Kahn, without obligation or cost to you, toll free 1-866-467-1400, ext. 100, via cell phone after hours at 504-301-7900, or by email at lewis.kahn@kgscounsel.com.

SunOpta and certain of the Company's officers and directors are charged with making a series of materially false and misleading statements related to the Company's business and operations in violation of the Securities Exchange Act of 1934 (the "Exchange Act").

On January 24, 2008, following the close of trading, defendants shocked investors after they published a release that revealed, for the first time, that the Company was performing well below expectations and that defendants expected to cause the Company to take a material restatement charge in the near term -- rending its prior reported financial statements and reports unreliable, false and materially misleading. SunOpta, which processes and produces organic foods, said it expected to post a profit of 12 cents to 14 cents per share for the year, citing issues within its fruit and BioProcess groups that led to pretax write-downs and provisions of \$12 million to \$14 million. Among problems the Company cited were inventories within the Company's Fruit Group's berry operations requiring write-down to net realizable value, whereby "preliminary estimates indicated that an adjustment in the range of \$9 to \$11 million for this issue and related items is necessary." Further, the Company disclosed a charge of "approximately \$3 million pre-tax, related to difficulties in collecting for services and equipment provided to a customer under the terms of an existing equipment supply contract within the SunOpta BioProcess Group."

On this news, belatedly revealed on January 24, 2008, shares of SunOpta stock fell precipitously, collapsing over 40%, from a close of \$9.50 per share to approximately \$6.00 per share in the single trading day -- on very high trading volume of over 11.488 million shares traded.

If you wish to serve as lead plaintiff in this class action lawsuit, you must move the Court no later than March 28, 2008. Any member of the putative class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member. If you would like to discuss your legal rights, you may e-mail or call KGS Managing Partner Lewis Kahn, without obligation or cost to you, toll free 1-866-467-1400, ext. 100, after hours via cell phone 504-301-7900, or by email at lewis.kahn@kgscounsel.com. To learn more about KGS, you may visit www.kgscounsel.com. KGS focuses its practice on securities litigation, and has been appointed lead counsel in numerous federal securities cases.

SPECIAL NOTICE: While federal law does not prohibit other lawyers from "announcing" the filing of this class action through the issuance of other press releases, KGS is the law firm that researched, investigated, drafted and filed the securities fraud case against SunOpta. If you are a SunOpta shareholder who decides to contact one of these lawyers, KGS reminds you to interview any such lawyer to assure that he or she understands the facts surrounding the substantive claims alleged in the complaint KGS has filed with the Court. Factors bearing on a law firm's ability to successfully prosecute this action and obtain a recovery for you include its lawyers' knowledge of applicable federal securities laws, the resources it will dedicate to prosecution of the case (including the number of lawyers the firm has available to prosecute this action) and the quality of the firm's work.

Schiffrin Barroway Topaz & Kessler, LLP, specializes in representing shareholders and consumers in complex class action litigation in state and federal courts throughout the United States. Since our inception, SBTk has recovered billions of dollars on behalf of defrauded shareholders and aggrieved consumers. The firm is led by its senior partners, Richard S. Schiffrin (founding partner, retired), Andrew L. Barroway, Marc A. Topaz, and David Kessler, with assistance from partners Stuart L. Berman, Katharine M. Ryan, Gregory M. Castaldo, Michael K. Yarnoff, Joseph H. Meltzer, Darren J. Check, Andrew L. Zivitz, Sean M. Handler, John A. Kehoe, Lee D. Rudy, Kay E. Sickles, Eric L. Zagar, Edward W. Ciolko and numerous experienced associates and staff.

Since its inception in 1987, SBTk has specialized exclusively in the prosecution of class actions, with unique expertise and skill litigating securities class actions. Now in its 21st year, SBTk has grown into one of the largest and most successful firms in the field. Recognized by courts and its clients for achieving exemplary results, SBTk, with its main office located in suburban Philadelphia, Pennsylvania, is comprised of over 60 attorneys, a superior support staff and an in-house investigative team. With SBTk's extensive experience prosecuting securities fraud actions, derivative actions and transactional litigation against public companies and their officers and directors, SBTk has emerged as the leading firm in the campaign to eradicate the egregious practice of options backdating. Recognizing SBTk's experience and commitment to corporate governance reform, courts across the country have appointed SBTk as lead or co-lead counsel in more than 50 options backdating actions. SBTk's depth and breadth of its practice places it in a unique position to track, advise, prosecute and resolve complex securities actions.

In the course of representing various institutional investors from the United States, Canada, Europe, and around the world, including pension funds, mutual fund managers, investment advisors, insurance companies, and hedge funds, SBTk has recovered billions of dollars on behalf of its clients and the classes it represents. SBTk, with the guidance and assistance of its clients serving as lead plaintiff, is especially proud of its ability to create and structure resolutions with financially troubled companies and, when appropriate, to institute corporate governance reforms when serving as lead counsel in shareholder actions.

In addition, SBTk has recently opened an office in suburban San Francisco, California, and has added three California-based attorneys as "of counsel" to the firm, each of whom has significant class action and complex litigation experience. Demonstrating its commitment to the west coast expansion, several SBTk partners and associates have recently taken the California Bar and are awaiting their results.

Noteworthy Achievements

During the firm's successful history, SBTk has recovered billions of dollars for defrauded stockholders and consumers. The following are among the firm's notable achievements:

In re Tyco International, Ltd. Securities Litigation, No. 02-1335-B (D.N.H. 2002):

SBTK, which served as co-lead counsel in this highly publicized securities fraud class action on behalf of a group of institutional investors, achieved a record \$3 billion settlement with Tyco. The largest securities class action settlement by a corporate defendant in history. The action asserted federal securities claims on behalf of all purchasers of Tyco securities between December 13, 1999 and June 7, 2002 against Tyco, certain former officers and directors of Tyco and the Company's auditor PricewaterhouseCoopers. Tyco is alleged to have overstated its income during the Class Period by \$5.8 billion. Defendants Kozlowski and Swartz have been sentenced to up to 25 years in prison after being convicted of grand larceny, falsification of business records and conspiracy for their roles in the alleged scheme to defraud investors. Defendant Walsh has also pled guilty to committing fraud.

In October 2004, the Court denied in large part the defendants' motions to dismiss and the parties began the discovery phase of the case. On June 12, 2006, Judge Barbadoro granted the Plaintiffs' motion for class certification for violations of sections 10(b), 20(a) and 20A of the Securities and Exchange Act of 1934 (the "Exchange Act"), 15 U.S.C. §§ 78j(b), 78t(a) and 78t-1, and sections 11, 12(a)(2) and 15 of the Securities Act of 1933 (the "Securities Act"), 15 U.S.C. §§ 77k, 771(a)(2) and 77o. The Court held that the claims asserted satisfy Federal Rule of Civil Procedure 23(a)'s requirements for numerosity, commonality, typicality and adequacy, as well as Rule 23(b)'s requirements that common issues predominate over individual issues and that a class action is superior to other available methods for the fair resolution of the dispute.

The settlement, which represents the single largest payment from any corporate defendant in the history of securities class action litigation, requires Tyco pay \$2.975 billion in cash to settle securities and accounting fraud claims relating to the Kozlowski era, but specifically excludes auditor PriceWaterhouseCoopers ("PwC") and, by the time the settlement will be presented to the Court for final distribution, it will exceed \$3 billion in value, inclusive of interest.

As part of the settlement, Tyco has agreed to assign the claims it has against PwC related to the accounting fraud to the Class, which intends to vigorously pursue both its own claims and the assigned claims. As Tyco's auditor, PwC was in a unique position to uncover the fraud and to prevent the damages to Tyco's shareholders. Instead, PwC is alleged to have failed in its duties as a corporate watchdog. In addition, as Tyco already has its own claims being pursued against certain of the individual defendants, the Class has assigned its claims against Dennis Kozlowski, Frank Walsh and Mark Swartz to Tyco in exchange for receiving a 50% interest in any net recoveries achieved against these non-settling defendants.

In re Tenet Healthcare Corp. Securities Litigation,

No. CV-02-8462-RSWL (Rx) (C.D. Cal. 2002):

SBTK serves as co-lead counsel on behalf of the State of New Jersey and its Division of Investment against Tenet Healthcare Corp. and certain of its former officers and directors. Among other things, the Lead Plaintiff alleges that defendants made a series of materially false or misleading statements and omissions concerning Tenet's business model and financial health from January 11, 2000 through November 7, 2002. After defeating defendants' motions to dismiss and performing substantial document and deposition discovery, a partial settlement has been reached in the amount of \$216.5 million in cash which will be submitted for preliminary approval by the Court in the coming weeks. The Partial Settlement is being funded primarily by Tenet and its insurance carriers (\$215 million), with personal contributions in the aggregate amount of \$1.5 million being made by two of Tenet's former officers, Jeffrey Barbakow and Thomas Mackey. In addition to the substantial cash recovery, the prosecution of this action has played a prominent role in Tenet's initiation of sweeping corporate governance reforms which have led to Tenet being ranked by various institutional rating entities as among the best corporations in America for its corporate governance. The case will continue against KPMG as the Court denied KPMG's motion to dismiss the action in its entirety in December, 2005.

In re AremisSoft Corp. Securities Litigation, C.A. No. 01-CV-2486 (D.N.J. 2002):

SBTK is particularly proud of the results recently achieved in this case before the Honorable Joel A. Pisano. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, who are now fugitives. In settling the action, SBTK, as sole Lead Counsel, assisted in reorganizing the Company as a new Company to allow for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was recently approved, calls for the class to receive the majority of the equity in the new Company, as well as their pro rata share of any amounts recovered by the litigation trust. The Court-appointed cotrustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, have retained SBTK to continue prosecuting the actions on behalf of the litigation trust. In this capacity, we have filed an action in the Isle of Man, and have successfully frozen more than \$200 million of stolen funds from one of the fugitives, and are in the process of attempting to recover the money on behalf of the trust. In addition, we are continuing to litigate the trust's claims against the remaining fugitive.

In re The Interpublic Group of Companies Securities Litigation, No. 02 Civ. 6527 (S.D.N.Y. 2002):

SBTK served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock with expected distribution by early summer 2005. As of February 2005, the stock had an approximate value of \$87 million, resulting in a total settlement value of approximately \$107 million. In granting its approval, the Court praised SBTK for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

In re Digital Lightwave, Inc. Securities Litigation, Consolidated Case No. 98-152-CIV-T-24E (M.D. Fla. 1999):

The firm served as Co-Lead Counsel in one of the nation's most successful securities class actions. After extensive litigation and negotiations, a settlement consisting primarily of stock ultimately grew to a value of over \$170 million between the time in which the settlement was negotiated and the time at which it was distributed. SBTK took on the primary role in negotiating the terms of the equity component, insisting that the class have the right to share in any upward

appreciation in the value of the stock after the settlement was reached. This recovery represented an astounding approximately two hundred percent (200%) of class members' losses. We believe that this represents the largest percentage recovery for shareholders in securities class action history.

***In re Initial Public Offering Securities Litigation,
Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):***

SBTK holds a prominent position as an Executive Committee member in this action. Of the sixty plaintiffs firms which originally filed actions in these coordinated proceedings, SBTK was one of only six selected to serve on the Executive Committee. The coordinated actions, which have been filed against 309 separate issuers of publicly traded securities, challenge the legality of the practices which accompany the allocations of shares in initial public offerings. In addition to suing the issuers of such securities, the 309 coordinated actions also name as defendants the primary investment banking firms which underwrote the offerings. This case, which has received a great deal of national and international media attention, is widely considered the largest securities class action litigation in history. At the present time, the Court has preliminarily approved a \$1 billion settlement with the insurers and their officers and directors. The case is proceeding against the underwriting defendants.

***In re Global Crossing, Ltd. ERISA Litigation,
No. 02 Civ. 7453 (S.D.N.Y. 2004):***

SBTK served as Co-Lead Counsel in this complex and high-profile action which alleged that certain directors and officers of Global Crossing, a former high-flier of the late 1990's tech stock boom, breached their fiduciary duties under the Employee retirement Income Security Act of 1974 to certain company-provided 401(k) plans and their participants. These breaches surrounded the plans' alleged imprudent investment in Global Crossing stock during a time when defendants knew, or should have known, that the company was facing imminent bankruptcy. A settlement of plaintiffs' claims restoring \$79 million to the Plans and their participants was approved in November 2004. At the time, this represented the largest recovery received in a company stock ERISA class action.

***In re Honeywell International ERISA Litigation,
No. 03-1214 (DRD) (D.N.J. 2004):***

SBTK is serving as Lead Counsel in a breach of fiduciary duty case under ERISA against Honeywell International, Inc. and certain fiduciaries of Honeywell pension plans. The suit alleges that Honeywell and the individual fiduciary defendants, allowed Honeywell's 401(k) plans and their participants to imprudently invest significant assets in company stock, despite that defendants knew, or should have known, that Honeywell's stock was an imprudent investment due to undisclosed, wide-ranging problems stemming from a consummated merger with Allied Signal and a failed merger with General Electric. A settlement of plaintiffs' claims, which includes a \$14 million payment to the plans and their affected participants, and significant structural relief affording participants much greater leeway in diversifying their retirement savings portfolios, is currently pending court approval.

***In re Remeron Antitrust Litigation,
No. 02-CV-2007 (D.N.J. 2004):***

SBTK is Co-Lead Counsel in an action challenging Organon, Inc.'s filing of certain patents and patent infringement lawsuits as an abuse of the Hatch-Waxman Act, and an effort to unlawfully extend their monopoly in the market for Remeron. Specifically, the lawsuit alleges that defendants violated state and federal antitrust laws in their efforts to keep competing products from entering the market, and seeks damages sustained by consumers and third-party payors.

After lengthy litigation, including numerous motions and over 50 depositions, the matter settled for \$36 million. The settlement is pending final approval by the court.

Henry v. Sears, et al.,

Case No. 98 C 4110 (N.D. Ill. 1999):

The firm served as Co-Lead Counsel for one of the largest consumer class actions in history, consisting of approximately 11 million Sears credit card holders whose interest rates were improperly increased in connection with the transfer of the credit card accounts to a national bank. SBTk successfully negotiated a settlement representing approximately 66% of all class members' damages, thereby providing a total benefit exceeding \$156 million. All \$156 million was distributed automatically to the Class members, without the filing of a single proof of claim form. In approving the settlement, the District Court stated: ". . . I am pleased to approve the settlement. I think it does the best that could be done under the circumstances on behalf of the class. . . . The litigation was complex in both liability and damages and required both professional skill and standing which class counsel demonstrated in abundance."

Jordan v. State Farm Insurance Company,

Case No. 97 CH 11 (Cir. Ct., McLean County, Ill. 1998):

Plaintiffs alleged that State Farm had engaged in fraudulent sales practices known as "churning," and marketing and selling "vanishing premium" policies that do not actually "vanish." After several years of discovery, motion practice and settlement negotiations, SBTk, as Liaison Counsel, successfully resolved the action for \$225 million in cash, dividend enhancements and other monetary benefits for current and former State Farm policyholders.

In re Liberate Technologies Securities Litigation,

No. C-02-5017 (MJJ) (N.D. Cal. 2005):

As sole Lead Counsel, SBTk successfully negotiated a \$13.8 million settlement, which represents almost 40% of the damages suffered by the class. In approving the settlement, the district court complimented Lead Counsel for its "extremely credible and competent job."

In re InfoSpace, Inc. Securities Litigation,

Master File No. C-01-0913-Z (D. Wash. 2001):

SBTK served as Co-Lead Counsel on behalf of plaintiffs alleging that InfoSpace and certain of its officers and directors overstated revenues by using improper accounting methods, overstated the demand for InfoSpace's wireless services, misstated InfoSpace's financial relationships with major customers, and falsely represented that InfoSpace would receive subscription fees from users of web-enabled cell phones. After two years of hard-fought litigation and complex mediation, a settlement of \$34.3 million was obtained for members of the class.

In re Riverstone Networks, Inc. Securities Litigation,

Case No. CV-02-3581 (N.D. Cal. 2002):

SBTK served as sole lead counsel on behalf of plaintiffs alleging that Riverstone and certain of its officers and directors sought to create the impression that the Company, despite the industry-wide downturn in the telecom sector, had the ability to prosper and succeed and was actually prospering. In that regard, plaintiffs alleged that defendants issued a series of false and misleading statements concerning the Company's financial condition, sales and prospects, and used inside information to personally profit. After extensive litigation, the parties entered into

formal mediation with the Honorable Charles Legge (Ret.). Following five months of mediation, the parties reached a settlement of \$18.5 million which has been preliminarily approved by the Court.

***In re Assisted Living Concepts, Inc. Securities Litigation,
Lead Case No. 99-167-AA (D. Or. 1999):***

SBTK served as Co-Lead Counsel and was instrumental in obtaining a \$30 million recovery for class members from the Company, its executive officers and directors, and several underwriters for their role in an alleged complex accounting fraud involving the use of a purportedly independent joint venture to absorb the Company's start-up losses. Even after this \$30 million recovery, through counsel's efforts, an additional \$12.5 million was obtained from the auditors providing for a total recovery of \$42.5 million.

***Wanstrath v. Doctor R. Crants, et al.,
No. 99-1719-111 (Tenn. Chan. Ct., 20th Judicial District, 1999):***

SBTK served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company's top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company's top management was ousted, the composition of the Board of Directors was significantly improved, and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffrin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain bankruptcy. The case was resolved in conjunction with the federal securities cases for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

***In re Cumulus Media Inc. Securities Litigation,
Lead Case No. 00-C-391 E.D. Wis. 2000):***

Of his numerous successful representations of shareholders, the following stand out as exceptional:

In re The Interpublic Group of Companies Securities Litigation, No. 02 Civ. 6527 (S.D.N.Y. 2002):

Schiffrin Barroway Topaz & Kessler served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock. As of February 2005, the stock had an approximate value of \$87 million, resulting in a total settlement value of approximately \$107 million. Schiffrin Barroway Topaz & Kessler believes that this represents the largest percentage recovery for shareholders in securities class action history.

Mr. Barroway, along with his partner, Mr. Kessler, has also negotiated substantial settlements of securities class actions in which Schiffrin Barroway Topaz & Kessler was Lead or Co-Lead Counsel against Pinnacle Holdings, Cell Pathways, Gateway, Mercator and NetSolve. Mr. Barroway currently represents numerous public pension funds, private investment funds, money management firms, and individuals in securities fraud litigation as Lead or Co-Lead Counsel.

MARC A. TOPAZ, a senior partner of the firm, received his law degree from Temple University School of Law, where he was an editor of the Temple Law Review and a member of the Moot Court Honor Society. He also received his Master of Law (L.L.M.) in taxation from the New York University School of Law, where he served as an editor of the New York University Tax Law Review. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Topaz oversees the firm's derivative and transactional departments. Mr. Topaz has been heavily involved in the firm's cases related to the subprime mortgage crisis. The firm has initiated cases seeking recovery on behalf of shareholders in companies affected by the subprime crisis, as well as cases seeking recovery for 401K plan participants that have suffered losses in their retirement plans. Mr. Topaz has also been involved in the firm's option backdating litigation. These cases which are pled mainly as derivative claims or as securities law violations, have served as an important vehicle both for re-pricing erroneously issued options and providing for meaningful corporate governance changes. Mr. Topaz has been involved in many of the firm's prominent cases, including, *In re Initial Public Offering Securities Litigation*, *Wanstrath v. Doctor R. Crants, et al.*, and *In re Oppenheimer Capital, L.P., Unitholders Litigation*.

DAVID KESSLER, co-managing partner of the firm, graduated with distinction from the Emory School of Law. He is licensed to practice in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of

Pennsylvania and the United States District Court for the District of New Jersey. Prior to practicing law, Mr. Kessler was a Certified Public Accountant in Pennsylvania. Mr. Kessler is also manages the firm's nationally recognized securities department. In addition, Mr. Kessler often lectures on securities litigation. Mr. Kessler has achieved the following outstanding results in federal securities cases:

In re Tyco International, Ltd. Sec. Lit., No. 02-1335-B (D.N.H. 2002):

SBTK, which served as Co-Lead Counsel in this highly publicized securities fraud class action on behalf of a group of institutional investors, achieved a record \$3.2 billion settlement with Tyco International, Ltd. ("Tyco") and their auditor PricewaterhouseCoopers, LLP ("PwC"). The \$2.975 billion settlement with Tyco represents the single-largest securities class action recovery from a single corporate defendant in history. In addition, the \$225 million settlement with PwC represents the largest payment PwC has ever paid to resolve a securities class action and is the second-largest auditor settlement in securities class action history.

As presiding Judge Paul Barbadoro aptly stated in his Order approving the final settlement, "[i]t is difficult to overstate the complexity of [the litigation]." Judge Barbadoro noted the extraordinary effort required to pursue the litigation towards its successful conclusion, which included the review of more than 82.5 million pages of documents, more than 220 depositions and over 700 hundred discovery requests and responses. In addition to the complexity of the litigation, Judge Barbadoro also highlighted the great risk undertaken by Co-Lead Counsel in pursuit of the litigation, which he indicated was greater than in other multi-billion dollar securities cases and "put [Plaintiffs] at the cutting edge of a rapidly changing area of law."

In sum, the Tyco settlement is of historic proportions for the investors who suffered significant financial losses and it has sent a strong message to those who would try to engage in this type of misconduct in the future. Mr. Kessler played a primary role in shepherding this most complex of settlements through final approval by the Court.

In re Tenet Healthcare Corp. Securities Litigation, No. CV-02-8462-RSWL (Rx) (C.D. Cal. 2002):

SBTK serves as co-lead counsel on behalf of the State of New Jersey and its Division of Investment against Tenet Healthcare Corp. and certain of its former officers and directors. Among other things, the Lead Plaintiff alleges that defendants made a series of materially false or misleading statements and omissions concerning Tenet's business model and financial health from January 11, 2000 through November 7, 2002. After defeating defendants' motions to dismiss and performing substantial document and deposition discovery, a settlement was reached with Tenet and its insurance carriers (for \$215 million) and certain individuals (\$1.5 million) which was approved by the Court. In addition to the substantial cash recovery, the prosecution of this action has played a prominent role in Tenet's initiation of sweeping corporate governance reforms which have led to Tenet being ranked by various institutional rating entities as among the best corporations in America for its corporate governance. The case is continuing against KPMG as summary judgment motions were recently denied.

In re Initial Public Offering Securities Litigation, Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):

In re PNC Financial Services Group, Inc. Litigation, Case No. 02-CV-271 (W.D. Pa. 2002):

SBTK served as Co-Lead Counsel and was instrumental in obtaining a \$30 million recovery for class members from PNC and the assignment of certain claims it may have had against its audit and other third party law firms and insurance companies, with respect to an alleged fraudulent scheme wherein non-performing assets were removed from PNC's books and transferred to special purpose entities that PNC allegedly still controlled. An additional \$6.6 million was recovered from the insurance company and the law firms and an agreement in principle has now been reached with the audit to resolve all claims for another \$9.075 million, providing for a total recovery from the securities litigation of \$45.675 million upon approval of the auditor settlement. When coupled with the \$156 million restitution fund established through government actions against some of the same defendants and third parties, the total recovery for class members exceeds \$200 million.

JOSEPH MELTZER, a partner of the firm, concentrates his practice in the areas of ERISA and antitrust complex litigation. In re AOL Time Warner ERISA Litig., C.A. No. 02-8853 (S.D.N.Y.): The firm served as Co-Lead Counsel in one of the most successful ERISA class actions. Following extensive litigation, including motions for summary judgment, Mr. Meltzer helped negotiate a settlement of \$100 million for a class of retirement plan participants. To date, this is the second largest settlement for a case of this type and the largest in a case involving a non-bankrupt company.

In re Global Crossing Ltd. ERISA Litig., No. 02-7453 (S.D.N.Y.): The firm served as Co-Lead Counsel in one of the earliest ERISA class actions involving employer securities and seeking relief under ERISA sec. 502(a)(2). After extensive litigation and complex negotiations, the firm

In re New Power Holdings, Inc. Securities Litigation, No. 02 Civ. 1550 (S.D.N.Y. 2002):

Schiffrin Barroway Topaz & Kessler served as Co-Lead Counsel and was instrumental in obtaining a recovery of \$41 million in cash for class members against a bankrupt company, certain of its officers and directors and the underwriters of the Company's offering. Claims involved New Power, an offshoot of Enron, that was formed to re-enter the deregulated energy market and pursued an IPO with no viable plan to hedge against volatile energy prices.

He speaks with institutional investors located around the world regarding their rights and obligations associated with securities fraud class actions and individual actions. Mr. Berman works closely with the firm's institutional investors and counsels them on fulfilling their fiduciary obligations and exercising their rights in all types of securities related actions.

Mr. Berman has specialized in the area of securities litigation for the past nine years. He is particularly proud of the results achieved in *In re AremisSoft Corp. Sec. Litig.*, C.A. No. 01-CV-2486 (D.N.J. 2002), a case on which Mr. Berman and his partner, Richard Schiffrin, have worked extensively. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom are now fugitives. In settling the action, Schiffrin Barroway Topaz & Kessler, as sole Lead Counsel, assisted in reorganizing AremisSoft as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was approved by the Court, called for the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The Court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained Schiffrin Barroway Topaz & Kessler to continue prosecuting the actions on behalf of the litigation trust. After extensive litigation in the Isle of Man, including the successful freezing of more than \$200 million of stolen funds, the trust recently settled its action against one of the principal wrongdoers and recovered approximately

\$200 million. Thus far, the trust has distributed to beneficiaries of the trust more than 28% of their recognized losses (excluding the value of the equity of the new Company), and is poised to recover even more. Recently, the trust commenced further litigation in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

GREGORY M. CASTALDO, a partner of the firm, received his law degree from Loyola Law School, where he received the American Jurisprudence award in legal writing. Mr. Castaldo has been actively involved in litigating the following cases:

In re Tenet Healthcare Corp., 02-CV-8462 (C.D. Cal.):

Schiffirin Barroway Topaz & Kessler served as Co-Lead Counsel on behalf of plaintiffs, alleging that Tenet Healthcare and certain of its officers and directors defrauded Medicare out of hundreds of millions of dollars, materially overstated Tenet's revenues, and performed unnecessary cardiac surgeries to increase the Company's earnings. After three years of hard-fought litigation and complex mediation, Schiffirin Barroway Topaz & Kessler helped obtain a settlement involving a \$216.5 million payment from Tenet and the Company's former CEO and COO, and specific corporate governance improvements.

In re Liberate Technologies Securities Litigation, No. C-02-5017 (MJJ) (N.D. Cal. 2005):

In approving the settlement, the district court complimented Lead Counsel for its "extremely credible and competent job."

In re Sodexo Marriott Shareholders Litigation,

Consol. C.A. No. 18640-NC, Delaware Chancery Court, in which Class Counsel was partially responsible for creating an aggregate financial benefit of approximately \$166 million for members of the class.

Mr. Castaldo is also presently *State of New Jersey and Its Division of Investment v. Sprint Corporation, et al.*, No. 03-2071-JWL (D. Kan. 2003) among other actions.

He serves in the firm's securities litigation department and has been actively involved in a number of federal securities cases in which outstanding results were achieved, including the following:

In re CVS Corporation Securities Litigation, C.A. No. 01-11464 JLT (D.Mass.):

After more than three years of contentious litigation and a series of protracted mediation sessions, Schiffrin Barroway Topaz & Kessler, LLP, serving as co-lead counsel, secured a \$110 million recovery for class members in the CVS Securities Litigation. Specifically, the suit alleged that CVS violated accounting practices by delaying discounts on merchandise in an effort to prop up its earnings. In addition, the suit charged that in 2001, the Company and its Chief Executive Officer, Thomas M. Ryan, improperly delayed announcement of its intention to close approximately 200 underperforming stores, and that an industry-wide pharmacist shortage would have a materially negative impact on the Company's performance. Settlement was reached just days prior to the commencement of trial, and shortly after the district court had denied the defendants' motions for summary judgment. The firm has successfully litigated trial verdicts and has achieved millions of dollars for their clients in cases involving nursing home neglect, vehicular accidents, wrongful death, workman's compensation and premises (slip and fall) accidents.

The firm is proud to have changed the law in Pennsylvania regarding the liability of medical and nursing home facilities when they are found to have violated either the Omnibus Budget Reconciliation Act (OBRA) or the Older Adult Protective Services Act (OAPSA). Specifically, in *McCain v. Beverly Enterprises, Inc.* CV-02-657, Judge Ludwig reversed the prevailing case law in the Eastern District of Pennsylvania, and other jurisdictions, and held that while a private right of action did not exist for plaintiffs against medical facilities for violations of these statutes, plaintiffs were still entitled to bring a claim for damages under a negligence *per se* theory. This holding in essence lowered the burden of proof for injured plaintiffs when the defendants have been held in violation of these statutes by a state or federal agency.
